Subject: Application for valley.edu.np domain registration

Dear Sir/Madam,

I am writing to request the registration of domain under our Valley Secondary School name with domain valley.edu.np.

Applying for registration of the domain valley.com.np follows all the term and conditions of Domain registration residing at "https://register.com.np/terms-and-conditions". I submit the required for the domain registrations as per the rule.

Thank you for "helping the industry and civil society to make them online". Entry area for.com.np is "commercial" and Notes is "open ccTLD, any person or entity is permitted to register" as mentioned on "https://register.com.np/np-ccTLDs".

I would be very grateful indeed for your help. Needless to say, I will be glad to supply you with any further information you may need. I look forward to hearing from you soon.

Your Sincerely,

Test
